
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, [www.deltahealthsystems.com](http://www.deltahealthsystems.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. Important Questions	Answers	Why This Matters:
<p>What is the overall <a href="#">deductible</a>?</p>	<p><b>In-Network: \$250</b> Individual / <b>Non-Network: \$5,000</b> Individual An individual within a family shall not have a deductible that is more than the individual <u>deductible</u> limit. **To satisfy the In-Network and Non-Network family deductible, three family members must each meet their individual deductible.</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay.</p>
<p>Are there services covered before you meet your <a href="#">deductible</a>?</p>	<p>Yes. <u>Preventive</u> care services, physician visits, and mental health and substance abuse counseling are covered before you meet your <u>deductible</u>.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply.</p>
<p>Are there other <a href="#">deductibles</a> for specific services?</p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</p>	<p><b>In-Network: \$2,000</b> Individual / <b>\$6,000</b> Family. <b>Non-Network: \$10,000</b> Individual / <b>\$30,000</b> Family (medical) coverage, an individual within a family shall not have a maximum out of pocket limit that is greater than the maximum out of pocket limit for an individual. <b>Network Pharmacies: \$3,000</b> Individual / <b>\$7,500 (2.5x)</b> Family</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p>What is not included in the <a href="#">out-of-pocket limit</a>?</p>	<p><u>Premiums</u>, <u>balance-billed</u> charges, penalties for failure to obtain preauthorization for services, expenses which exceed Anthem contracted pricing, and health care this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>
<p>Will you pay less if you use a <a href="#">participating provider</a>?</p>	<p>Yes. See <a href="http://www.anthem.com/ca">www.anthem.com/ca</a> or call Delta Health Systems at <b>1-800-433-2566</b> for a list of <u>network providers</u>.</p>	<p>This <u>plan</u> uses a <u>provider network</u>. You will pay less if you use a <u>provider</u> in the plan's <u>network</u>. You will pay the most if you use a <u>Non-network provider</u>, and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your PPO <u>provider</u> might use a <u>non-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.</p>

Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .
